

Features:

- ▶ **Cool water formula**
- ▶ **Evaporates slowly**
- ▶ **Quick acting, penetrating**
- ▶ **Removes coatings quickly**
- ▶ **Non-ammoniated**
- ▶ **Perfect for UHS applications**
- ▶ **Low odor**
- ▶ **Economical**

Aggression is a tough floor coating stripper that works great in ultra high speed applications. Can be applied with a cool water mix, thus saving time and money. It evaporates slowly and penetrates coatings quickly, allowing for quick removal.

Use on resilient tile, terrazzo, linoleum and quarry tile floors. Perfect for use in retail locations, schools, grocery stores, office buildings, convenience stores, and health care facilities to name a few.
